

IAQT Provisioning LLC

CAPABILITY STATEMENT

Wholesale supplier of fasteners, sealing materials, and commercial hardware for DoD and DLA buyers, led by a logistics manager who moved 1,200+ equipment units and 2,200+ parts per week for seven years. Self-certified small business, Charlotte, NC.

CORE COMPETENCIES

Supply-chain support for DLA and Navy shipyard maintenance requirements.

- Supply of screws, bolts, nuts, and washers (FSC 5305, 5310) and commercial hardware (FSC 5340)
- Packing, gasket, and sealing materials (FSC 5330)
- Receiving, inspection, inventory control, and traceable distribution
- Quality assurance against written specifications, with root-cause analysis and corrective action
- Sourcing structured to meet the nonmanufacturer rule (13 CFR 121.406) on small business set-asides

DIFFERENTIATORS

- **1,200+ equipment units** received and delivered and **2,200+ small parts** distributed per week across seven years of warehouse management
- Led **6 quality assurance supervisors** and **50+ field technicians** across a four-county service area
- Redesigned a nightly field-reporting process, cutting processing time by **about half**
- Registered before first quote: SAM active, CAGE 24ZL1, PIEE registered, Section 889 review complete
